Having graduated from Falmouth University with a degree in Illustration, Katy went on to further study Horticulture & Garden Design while gaining practical experience in a local plant nursery. Her creative approach and passion for plants is key within our design practice, and her hand drawn illustrations help express the feel and form of a garden during the design process.

2026	Show Garden 'The Habitat Garden' at RHS Sandringham Flower Show – Gold Medal
2026	Co Produced Wild Garden Studio
